U74 SAFETY RECALL

TAILGATE LATCH - PARTS UPDATE

Effective immediately Mopar will no longer allocate parts directly to dealers for Safety Recall Campaign U74. In effort to better support dealer service business, dealer ordering is now available on a group size restriction. Please refer to the group size restriction criteria below.

PART NUMBER - 68448027AA

Group Size 1	5 parts in 7 days
Group Size 2	5 parts in 7 days
Group Size 3	10 parts in 7 days
Group Size 4	10 parts in 7 days
Group Size 5	20 parts in 7 days

Please ensure your service and parts personnel are aware of this update and have a customer focused process in place to confirm appointments and repair vehicles in a timely fashion.
